

Kookaburra Cottage Pet Policy

1. FurKid Guests must be well-behaved, small, friendly dogs up to 10kgs.
2. One furkid is included in the cottage rate.
3. Additional pets may be accepted at a charge of \$35/pet.
4. Dogs must be fully vaccinated (proof of vaccination must be provided).
5. Dogs are NOT allowed to roam around alone, they must be accompanied at all times and kept on a lead (unless fully off-lead trained).
6. Dogs are not to be left unattended in the cottage. Dogs that fret for their owners sometimes decide to scratch or chew items in our rooms. Any items damaged will need to be paid for.
7. If you need to leave your dog for an extended period we can arrange daycare at FurKids Retreat (additional \$35/day will apply).
8. A cleaning and damage deposit of \$200 will be held on check-in.
9. Any damage or excessive cleaning found after your departure will be photographed and emailed to you within 24 hours of your departure. Spoilage and damage charges will be applied to your \$200 deposit, if this is not sufficient then you will be sent an invoice for the remaining amount.
10. We reserve the right to ask guests to leave the cottage if their pets are deemed noisy, disruptive or dangerous.

Thank you for your understanding.
